MILLIONS OF VOTERS GO TO POLLS TODAY

Illinois Voters Get Early Start In Balloting

Will Decide One
Of Nation's
Key Senate Races

CHICAGO (AP)—Hundreds of thousands of Illinois voters got an early start today on their balloting to decide one of the nation's key Senate races and to select congressmen and many state legislators.

Political observers throughout the United States saw the race between Paul H. Douglas, Democratic incumbent, and Joseph T. Meek, Republican aspirant, as clearly a liberal Democrat versus a conservative Republican.

In Chicago, an indicated 161,889 votes were cast within the first hour, and veteran election officials said this could mean a heavier than average vote if continued day-long. They doubted the rate would hold up, however. Much of it was in the industrial population areas.

At Bloomington, a GOP county headquarters official said the voting was the heaviest he had seen in 25 years. A county election board official said the rural vote was heavy, too, because cold and snow flurries kept farmers from working their fields.

At Springfield, County Clerk M. B. Overaker said voting was "about normal, or a little heavier." He said the rural vote was "a little heavier" than usual, and that registration for the entire county was slightly above normal.

Marion reported heavier-than-normal balloting, but there was some doubt the pace would continue. One precinct which cast a total of 492 votes in 1950 had cast 200 by 10 a. m. today.

Harrisburg reported "unusually brisk" early voting, with lines forming at the polls, but again there was doubt the trend would be maintained.

Centra reported an exceptionally good turnout under overcast skies and despite cold winds. Salem reported a substantial turnout and Effingham County expected 60 per cent of its 15,000 registered voters to cast ballots.

Sub-freezing temperatures held the vote down in St. Clair County. Election officials at East St. Louis, who had forecast an 80,000 total revised their forecast to 70,000.

In Joliet, weather was cloudy and cold and the vote was heavier than it was by 8 a. m. in 1952. A vote on changing from the present commission to a city manager form of government may have influenced the size of the vote.

Kankakee showed indications of a heavy vote judged on the size of the early morning turnout.

Voting Ahead in Rockford
Rockford, with a city registration of 52,347, by 9 a. m. showed voting slightly ahead of the normal pace in seven of 10 precincts checked on a spot basis. Nearly four inches of snow had fallen in Winnebago County, but much had melted off and the roads were clear. A substantial vote was expected from farmers who would find the fields too wet to work.

At Decatur, early voting was reported light.

Between 3,500,000 and 4,000,000 persons were expected to ballot in the state before the 5 p. m. closing time. Fair but cold weather was forecast.

Republican leaders, including Gov. William G. Stratton, forecast a Meek victory by as much as 250,000 votes.

Democratic forecasts gave the victory to Douglas by from 100,000 to 300,000 votes.

Transfer Two Commands from Korea to Japan

SEOUL, Korea (AP)—The United States announced today the transfer of two major Army command headquarters from Korea to Japan in the latest move to strengthen its strategic position in the Far East.

Main headquarters of Gen. Maxwell D. Taylor's 8th Army will be shifted to Camp Zama near Tokyo this month, with Taylor becoming commander of all U. S. ground forces in Japan, Korea and Okinawa. An advance headquarters will remain in Seoul.

Also going to Japan this month "at reduced strength" will be the headquarters of the U. S. IX Corps, which became operational in Korea Sept. 23, 1950. The IX Corps will go to Sendai, on Japan's main island of Honshu, under command of Lt. Gen. Thomas F. Hickey. It will take over from the XVI Corps, which is to be deactivated.

Taylor is scheduled to become commander of Army Forces Far East (AFEF), a job currently held by Gen. John E. Hull, who will retain his posts as United Nations and Far East commander.

Under the U. S. redeployment program to date, the 40th, 45th, 25th, 2nd and 3rd infantry divisions have left Korea. In addition, the 24th is scheduled to be withdrawn. The 7th Infantry and 1st Marine divisions will remain.

Earlier this fall, the U. S. 5th Air Force headquarters moved from Korea to Nagoya, Japan, and over half of its combat units were shifted to Japan, Pacific Island bases and the United States.

Evansville Man Fatally Stabbed by Woman's Husband

CHICAGO (AP)—Emmett Mayberry, 33, of Evansville, Ind., was stabbed to death early today by the husband of a woman he was dating.

Police arrested John Craig, 38, and said he admitted stabbing Mayberry when he found his two children in a parked car outside a tavern on Chicago's South Side.

Witnesses told police Craig and his wife, Virginia, 36, had been estranged since she started keeping company with Mayberry.

Craig told officers he was on his way home when he saw his two sons, Jimmie, 6, and Jackie, 4, sitting in a car.

He said he talked with the boys and they told him their mother and Mayberry had left them some time ago to go into the tavern.

Craig entered the tavern, where witnesses said Mayberry jumped up and threatened to fight him. Craig drew a six-inch trench knife, witnesses said, and stabbed Mayberry three times.

Mayberry died in St. Bernard's hospital.

**Honor Students
Are Guests of
Rotary Club**

Honor students from HTHS and the Junior high school were special guests at the regular Monday noon session of Rotary club yesterday.

The program was presented by two members of the local television station staff.

Top honor pupils attending from the various classes were Charles Polk, senior; Dorothy Schneider and Mary Polance, juniors; Robert Jones, sophomore; and Kendall McDonald, freshman; Kay Mitchell, 8th grade; and Mariell Armistead, 7th. Each was introduced and recognized.

Dr. B. E. Montgomery introduced the two television men. Lucky Leroy entertained the group with three musical numbers, following which Charlie Gilliam, chief engineer at the station, answered some questions on the technical aspects of TV.

Club members voted to hold the meetings in the evening on Ladies' Nights. The next Ladies' Night is the fourth Monday in November—Nov. 22.

Bill Hopkins was named the new vice-president, replacing H. B. Bauman.

Halt Pumping at Blue Lake; to Use NYC Water

Under present plans the city of Harrisburg will pump no more water from Blue Lake.

Amos Doom, water superintendent, told members of the water board Monday night that there had been no pumping from Blue Lake since Tuesday of last week due to the lack of water near the pumping station.

To get additional water considerable expense would be involved and it is thought the amount of water available would not warrant the added cost.

To supplement the city water supply, plans are being completed to start pumping from the New York Central reservoir and it is possible pumping will start Wednesday.

The NYC reservoir has approximately 25 million gallons of water easily available to the city, it is said, and the water has been offered to the city by the railroad officials, free of charge.

Work on laying pipe from the NYC reservoir to the city reservoir was to start today and everything should be in readiness for operation by Wednesday or Thursday.

Another possible source of water is the spray pond formerly owned by the CIPB, but now property of the city. It contains an estimated 20 million gallons, but has not been approved by state authorities for use. Samples have been forwarded to the state health department and if accepted for human use this water can also be pumped into the city reservoir.

These two supplies will give the city approximately two additional months' water, it is said.

Truman Ignores Raw Cold for Trip to Polls

INDEPENDENCE, Mo. (AP)—Former President Truman, cheerful despite raw, 23-degree weather, cast his ballot at 7 a. m. today and smilingly predicted the nation's voters would give "the right answer again."

Mr. Truman, No. 13 in his precinct to vote, at first hesitated to make a comment on the election outcome. But when pressed by a battery of newsmen and photographers, he said:

"Well, it's going to be the right answer again. The Democrats are going to win."

The former chief executive braved cold winds as he walked alone from his home to the Memorial Building, two blocks away. He wore a gray topcoat which he kept buttoned all the time. He carried a cane.

The 70-year-old former president, who last June underwent abdominal surgery so serious that his 1954 campaign activity was limited to one mighty Trumanesque blast on Oct. 16, walked to the polls in nearly his normal military cadence.

Mr. Truman said he planned to spend a quiet day at his downtown Kansas City office working on his memoirs.

As for the evening, when the election returns start to come in, the former president said, "I plan to go to bed early—just like I did in 1948."

It was in 1948 that Mr. Truman, after a hammer-and-tongs attack on the "no-good, do-nothing 80th Congress," bowled over the experts by defeating New York's Republican Gov. Thomas E. Dewey for the presidency. He disappeared early that night from his Hotel Muebach headquarters in Kansas City and it was learned later he slept soundly at nearby Excelsior Springs, Mo.

In his only speech of the 1954 campaign, on Oct. 16 at Kansas City, Mr. Truman called for election of a Democratic Congress to save President Eisenhower from the "misdeeds" of his own party.

Briefs**

FORT PIERRE, S. D. (AP)—South Dakota Indians were urged to ambush Republicans at the polls today and vote for Democratic candidates.

Ramon A. Roubideaux, attorney for the Sioux Nations Council, charged in a letter to Indian leaders that the GOP "has sold us out to the Indian Bureau." He said Republican state officials have stated publicly that the Indian vote isn't worth the time and money spent on it.

"Let's show them," Roubideaux urged.

PORT NORRIS, N. J. (AP)—Capt. Smith Blackman, an oyster planter who celebrated his 100th birthday Monday, went to the polls today to vote "for the best man."

Blackman, a registered Republican, wouldn't say how he planned to cast his ballot.

INDIANAPOLIS (AP)—A voting machine "backfired" today on Mrs. Genevieve Holman, 45, a Democratic election judge. The machine's handle flew back as she was pulling it. It hit her in the face, broke her glasses and cut a gash over her right eye.

POINTE AUX BARQUES, Mich. (AP)—This traditionally Republican hamlet split evenly today in balloting on the congressional race between Rep. Jesse P. Wolcott (R) and his Democratic opponent, Dr. Ira D. McCoy. It gave seven votes to each.

The precinct unanimously supported all other Republican candidates except Atty. Gen. Frank G. Millard, who got 13 votes to one for Democrat Thomas M. Kavanaugh.

Election Eve Appeals by Eisenhower, Stevenson, Nixon Wind Up Campaign

WASHINGTON (AP)—Both political camps fought the crucial mid-term campaign down to the wire Monday night with election eve appeals by President Eisenhower, Adlai E. Stevenson and Vice President Richard M. Nixon.

Mr. Eisenhower formally ended the GOP campaign with a plea for a big voter turnout. He did not call directly for a Republican victory, but said the election will "affect the national life for the next two years and even far beyond that."

Stevenson and Nixon wound up on sharply partisan notes.

With his 1956 presidential chances possibly riding on the election outcome, Stevenson accused the Republicans of reaching "new depths" in politics by trying to divide the nation. He said they had failed to earn a mandate to continue at the helm of government.

Nixon called for the election of a Republican Congress to carry forward the Eisenhower program of "peace and prosperity." He said this is the only way the nation

can be sure of smashing the "Communist conspiracy."

Ike Urges Phone Drive
Mr. Eisenhower, following Nixon on a half-hour television appearance, urged his listeners to call 10 persons today to make sure they vote. He said Americans face a "great decision" in determining which party will control the 84th Congress.

With his wife, Mamie, seated beside him in the television studio here, the chief executive said Americans who don't go to the polls will have an effect on the election—"a negative one."

"You owe it to yourself, you owe it to your country, you owe it to your children to turn out and vote tomorrow," Mr. Eisenhower declared. "There is no such thing as sitting out an election."

While he did not ask directly for a Republican victory, Mr. Eisenhower did ask his audience to think about such government programs as foreign policy, unemployment insurance, Social Security and farm aid and then to vote for what they believe in.

"If you don't vote for what you believe in, then it is easily possible that minorities—either minorities or pressure groups—can take over and establish the policies for our government for the next two years, and indeed possibly on long beyond that," the President said.

Accuses GOP of "Smear"
Stevenson wrapped up the Democratic bid to win control of Congress with a 15-minute radio broadcast from New York. He said the Republicans had been "disloyal to the deepest traditions of constitutional democracy" by a political campaign of denunciation and smear.

Once again, Nixon was a major target of the 1952 Democratic standard bearer. Referring to Nixon's speech of a few minutes earlier, Stevenson said:

"Tonight, I have even heard the vice president of the United States, who not long ago was for sending American boys to fight in Indo-China, claim that peace in the world is an achievement of the Eisenhower administration. We are I fear, reading new depths in the pursuit of shame."

Says GOP Shuns Record
He lashed Republican candidates for being "unable or unwilling to campaign on their record" and said they had "played on fear, mistrust and suspicion, exploiting those things that divide rather than those things that unite our people."

Nixon, who carried much of the load of the Republican campaign, struck at Democratic critics who have been "sniping" at the administration. He also accused the Truman administration of taking too long to recognize the Red threat in Asia which, he said, resulted in the Korean war.

"Twenty months have passed since President Eisenhower took office," Nixon said. "The result of his policy has been a great, dramatic achievement. The war in Korea has ended and for the first time in 15 years the world is at peace."

**Mercury Plunges
To 21 Above Here**
The Harrisburg area had its coldest morning of the year today as the mercury plunged all the way down to 21 degrees.

It also had its most definite snow. A small "blizzard" last night, whipped up by winds from the west, brought in swirling snow that covered the ground and some of it was still around this morning.

Most unusual about the snow was that much of the vegetation still had some of its greenness when the flakes fell.

Congressional Election May Top 45 Million

**Control of Both
House and Senate
Will Be Decided**

By LYLE C. WILSON
United Press Staff Correspondent
WASHINGTON (AP)—Voters turned out in multitudes that may top 45 million today to pass mid-term judgment on President Eisenhower's Republican administration.

The poll takers figured the Democrats on top in this congressional election year. Their consensus: Democratic control of the House and, perhaps, the Senate in the 84th Congress.

But the Republicans were not despairing and the Democrats were not indulging in any premature celebrations. Indications were that the trend will not be definite for hours after the polls close.

It was good voting weather in the West but raw and mean in the Midwest and East. The East's nasty weather was not, however, keeping the voters away from the polls.

Many precincts, in fact, reported heavier than usual balloting. Early voting was heavy in New York—up 16 per cent in some precincts, an average of 10 per cent in others.

Report Heavy Vote
Samples from other parts of the country: Early voting heavy in Massachusetts, Rhode Island, New Hampshire and Vermont. In northern Illinois, a little above average, downstate brisk to much heavier. In Maryland and Virginia suburbs of the voteless District of Columbia—heavy to very heavy. Heavy turnout in Denver and Pueblo, Colorado's biggest counties.

There appeared no likelihood, however, that balloting would come close to 1952's record 61,679,882.

Partisans of both sides were professing cheer and confidence.

Vice President Richard M. Nixon, returning to the capital from a 40,000-mile campaign tour, said that if the vote is big "the Republicans will win" but if it is small, they "risk" defeat.

The first returns in the nation came in shortly after midnight when the tiny mountain hamlet of Hart's Location, N. H., reported six votes for Democratic congressional candidates and four for Republicans. But when most polls stayed open until tonight, the outcome of the election will not be known for many hours.

President Eisenhower, Vice President Richard M. Nixon and Adlai E. Stevenson Monday night formally ended history's most remarkable off-year campaign with nationwide radio and television broadcasts.

Weathervanes Democratic
Traditional straws have blown this year against the Republicans. Maine elected a Democratic governor, young musical artists, the out-come of the election will not be known for many hours.

President Eisenhower, Vice President Richard M. Nixon and Adlai E. Stevenson Monday night formally ended history's most remarkable off-year campaign with nationwide radio and television broadcasts.

Are Americans Popular in Italy? Writer Says Yes, No

By PETER EDSON
NEA Washington Correspondent

NAPLES, Italy —(NEA)—The most commonly heard criticism of the U. S. aid program for Italy is that, "It made the rich richer and the poor poorer." But American government officials in Italy will concede only the first half of that statement as true.

There is no rule which requires that the Supreme Court be populated almost wholly with men of long practice on the bench. But it does seem reasonable to suggest that at least a few of the justices should be veteran jurists. One can hardly quarrel with the idea that a body of judges should contain some judges.

In the past 20 or more years, the presidential habit has developed of employing the court as a kind of happy hunting ground for deserving politicians and appointive officers eager for the permanence of tenure that goes with the job.

That the U. S. attorney generalship should come to be regarded in many eyes as a kind of automatic steppingstone to the Supreme Court indicates how far this trend has gone.

Clearly we should have no automatic steppingstones, nor should the court be treated as an election-proof paradise for party faithful.

This doesn't mean no attorney general should ever again get the job, and it doesn't mean political and administrative ranks should be bypassed.

But it does mean that real judicial training is long overdue for recognition.

Mr. Eisenhower is said to be considering four eminent jurists among half a dozen prospects for the Jackson vacancy. He can do no better for the court and the nation at this time than to name one of those four—or a man of equal qualification.

attribute to the Russians all the virtues, based on the principle that man esteems above all what he does not see or know."

The second reason why Americans are unpopular, writes the Italian, is that, "Americans are rich much richer than we are—and wealth makes one deprived of it envious. They eat better, dress better, smoke better. Every public appearance of an American is resented as a provocation and an offense."

"The Russians, from the beginning, found themselves in a far more advantageous situation. The relative poverty of the Russians, visible even in their armed corps, is in their favor in European opinion."

The third and most important reason for American unpopularity, according to the Ansaldo thesis, is that "They've tried to help the European people reconstruct Europe. To help your neighbor is a heart-breaking operation. Generally the benefactor is resented and is never forgiven."

"TODAY, FROM ONE END OF western Europe to another, there is no wretch half or more than half dressed and nourished by American loans and subsidies who does not say that America has done all that for its own filthy interest and deceitful ends."

"Here also the Russians extract an immense benefit. They haven't helped anyone for the good reason that they can't. Thus they have not offended European sensitivities."

"What can America do to change this situation?" asks Writer Ansaldo. "The means is very simple," he says: "Leave Europe. Not to be here any more. Not to show their wealth. Not to help anyone."

"Will the Americans resort to this means? We guess not. But one point is sure. If they would resort to that means, with in a few months Americans would again be very 'sympathetic.' And one would wait for them, hoping and praying that they would come back."

Connecticut, in 1911, was the first state to enact legislation on aviation.

Sec'y Humphrey Predicts Higher Economy in 1955

WASHINGTON — Treasury Secretary George M. Humphrey predicted Monday night that employment, income and trade in 1955 will go higher than in 1954 which he called "the best peacetime year in history."

In an election eve statement, Humphrey said "reports of improving business and employment are multiplying." He cited previously published reports by the Commerce and Labor departments and the National Association of Purchasing Agents.

"Additional encouraging news comes from the department of economics of the McGraw-Hill Publishing Co.," he said. "I have just been informed that preliminary results of its nationwide survey of prospective plant and equipment expenditures indicate that spending of industrial and commercial facilities during 1955 will be above this quarter's level."

In another development, the Labor Department said industrial strikes dropped to a postwar low during the first nine months of this year.

PRUVO Tablets Guarantee Relief from Pains of ARTHRITIS, RHEUMATISM at Half the Cost Expected—or Money Back!

If you suffer nagging or even almost torturing, unbearable pain in arms, neck, back, legs—why not join the thousands who are living a more comfortable life with PRUVO Tablets... over 10,000,000 PRUVO Tablets were sold last year and 99 out of every 100 users found satisfaction (based on returns)... you, too, can obtain PRUVO's special soothing relief... no prescription necessary.

PRUVO contains Vitamin C—the vitamin essential to bone tissue production and other prescription type ingredients completely harmless to all organs of the human body, including salicylamide—a medication frequently recommended by doctors. In PRUVO Tablets you get the quick-

est, longest lasting, non-narcotic relief from arthritic and rheumatic pains known to medical science. Remember, PRUVO is the only medication with these prescription type ingredients which costs you not \$2.00, not \$3.00, not \$5.00—but just \$1.50 for the trial size bottle of 75 tablets—AND if you do not start getting pain relief before using half the tablets just return the balance and your money will be refunded in full by PRUVO.

No matter what you have tried before, don't put off a day longer turning to PRUVO for soothing relief from the nagging pain of Arthritis or Rheumatism. Insist on genuine PRUVO at Jackson's.

Miss Elizabeth Ann Williams, James A. Rittenberry Exchange Marriage Vows

Mr. and Mrs. James A. Rittenberry (Foster Studio Photo)

Before an altar beautifully decorated with baskets of white chrysanthemums, candelabra and palms, Miss Elizabeth Ann Williams, daughter of Mr. and Mrs. Stanley Williams, Omaha, became the bride of James A. Rittenberry, son of Mr. and Mrs. James R. Rittenberry.

The double ring ceremony, which took place Sunday, Oct. 17, at 3 p. m. in the Oak Grove General Baptist church, was performed by the Rev. Nomas Summers. The

couple exchanged vows beneath a large white arch entwined with huckleberry and white baby mums. The bride was adorned in a floor length gown of white satin and nylon net fashioned with a bouffant skirt over a hooped underskirt. The bodice of white lace was designed with a key-hole neckline and a high stand-up collar. Her finger tip veil of net illusion was secured to a crown of satin and seedpearl. She carried a bouquet of white roses.

Miss Donna Jane Williams, sister of the bride, was maid of honor wearing a ballerina length gown of pink satin and nylon net, tying in back with a large satin bow. She carried a bouquet of pink carnations.

Denver Rittenberry, brother of the bridegroom, Springfield, was best man, and Paul Davis, Eldorado, and C. R. Rowland, St. Louis, Mo., served as ushers.

Bill Williams, soloist, sang "Always" and "Oh Promise Me," accompanied by Miss Frances Cummins at the piano.

Mrs. Williams chose for her daughter's wedding a dress of navy taffeta with black accessories and a corsage of pink carnations.

The bridegroom's mother also wore navy with black accessories and a corsage of yellow carnations. Following the wedding a reception was held in the lower rooms of the church.

The bride will resume her work as bookkeeper at Craggs-DeViliez furniture store in Harrisburg. Mr. Rittenberry is wholesale and industrial sales representative for Morton Salt Co.

Following a short wedding trip the couple is now at home in Dorris Heights.

Out of town guests attending the wedding were V. A. Campbell, Chicago, C. R. Rowland, St. Louis, Mo., Mr. and Mrs. Denver Rittenberry, Springfield, and Mrs. Paul Harrelson and daughters, Margaret and Frances, of Evansville, Ind.

Bankston Friendship Class Has Halloween Party

The Friendship class of Bankston church held its regular meeting and a Halloween party at the home of Mrs. Don Wathen who was assisted by Madeline Horn.

The decorations in the house carried out the Halloween theme.

In the absence of the president, Lucille Harper was in charge of the meeting. Okie Hill led the group in prayer and Margie Chaney read from I Cor. 13 for the devotion.

The minutes were read and approved. Games were played with prizes going to Tresa Evans, Okie Hill and Margie Chaney.

Refreshments were served to those mentioned and to the following: Lois Dowdy, Laura Mae Dobrey, Hazel Wiley, Lorene Schwartz, Pearl Abney, Juanita Thompson, Blanche Williford, Evelyn DeVar, Don and Van Allen Wathen.

Jean Fleming Entertains Home Room With Party

Jean Fleming entertained her Junior high school home room and teacher with a Halloween party at the home of her parents, Mr. and Mrs. Willard Fleming.

Games were played and prizes won by Harry Cliff, who was last to be guessed, Sue Randolph and Myrna Lane, Jim Wise, Carole Vaughn and Bill Pfister.

Refreshments of sandwiches and Pepsi-Cola, candy and double bubble were served.

Others present were Charles Davis, Brenda Stallins, Charles Herman, Charlene Boone, Lamond Jones, Jim Billman, Mrs. Miranda, the teacher, and Mr. and Mrs. Willard Fleming and the hostess, Jean Fleming.

Mrs. Olen Ingram Hostess To Candlelight Home Bureau

Mrs. Olen Ingram was hostess to the Candlelight Home Bureau unit regular meeting and Halloween party recently. Assistant hostesses were Mrs. Shannon Taylor, Mrs. Fred Wilmoth and Mrs. Harry Wirth.

Twenty-one members answered roll call by telling an accident that had occurred in the home. The members and guests were masked and Mrs. Max McDowell received a prize for being the last one guessed.

Sam Potter gave the minor topic, "Garnishes," and the home adviser, Mrs. Mary Harper, presented the major topic, "Use of New Food Products."

During the social hour Mrs. Ingram and her assistant hostesses served delicious refreshments to the following: Mrs. Richard Carpenter, Mrs. Earl Clark, Mrs. Harold Empson, Mrs. John Foster, Mrs. Bill Gall, Mrs. James Lamkin, Mrs. James McGowan, Mrs. Sam Potter, Mrs. S. V. Questell, Mrs. John Slighom, Mrs. Glen Wallace, Mrs. Eugene McCormick, Mrs. Glynn McCormack, Mrs. Ed Cole, Mrs. John E. Wagner, Mrs. Harold Henson, Mrs. Max McDowell, and one visitor, Mrs. George Davis.

The next meeting will be with Mrs. Lonnie Lamkin, 1010 South Roosevelt.

Halloween Social By Golden Rule Class

The Golden Rule Sunday class of the North Willford Baptist church met Monday night, Oct. 25, in the church for the regular monthly social.

The group came dressed in Halloween costumes and the room was decorated with the Halloween theme. Prizes were given for the last one guessed and the ugliest.

After everyone was guessed, the business meeting was opened with prayer by Mrs. Maxine Lamar. Plans were completed for a jitney supper to be held Saturday, Nov. 13, at the Dorris Heights school. Hostesses for the evening were Mrs. Betty Arms and Coleta Garrison. Refreshments of tuna fish salad sandwiches, candied apples, and apple cider were served to the following people:

Mrs. Opal Duncan, Mrs. Lavern Underwood, Mrs. Thelma Hill and daughter, Debbie, Mrs. Maxine Lamar, Mrs. Mildred Leverett, Mrs. Eva Bowles, Mrs. Regina Duke, Ruby Short and the hostesses, Mrs. Betty Arms and Coleta Garrison.

Nita Stricklin Hostess To Halloween Party

Nita Joyce Stricklin was hostess to a Halloween party recently at the home of her parents, Mr. and Mrs. Harry Stricklin, Gaskins City.

Those receiving costume prizes were Frances Abney, prettiest, Bobby Hill, ugliest, and Tommy Owen the last one to be guessed.

Refreshments were served to Frances Abney, Shirley Hill, Judy Hamilton, Hazel Seets, Adell Hamilton, Charlene Boone, Nellie Stricklin, Sharon Sisco, Marlene Street, Judy White, George Jenkins, Nita Joyce Stricklin, Sammy Potter, John Owen, Gerry Moore, Frankie Bensavage, Bobby Goolsby, George Goolsby, Bobby Boone, Wendell Owen, Bobby Hill, Dickie Sisco, Tommy Owen and Nelson Collins.

Apostolic Junior Girls Have Halloween Party

The Junior Girls of the Apostolic church held a Halloween party at the home of Mr. and Mrs. David Morris.

After everyone had been guessed, games were played and prizes won by Mary Clark, Evelyn Newcomb and Nancy Booten.

Refreshments of sandwiches, potato chips and Cokes were served to the following: Mrs. Ellis Seets, Miss Mary Clark, Miss Evelyn Newcomb, Miss Darlene Newcomb, Miss Gala Morris, Miss Nancy Booten, Miss Barbara Parish, Miss Mary Ruth Eddie, Miss Linda Sims, Miss Faye Morris and the host and hostess, Mr. and Mrs. David Morris.

Announce Engagement Of Miss Yvonne Cummins

Mr. and Mrs. George Cummins, 615 South Land street, announce the engagement of their daughter, Miss Yvonne Cummins, to A. C. Donald P. Morris, son of Mr. and Mrs. David Morris of Harrisburg.

Miss Cummins is a junior at the Harrisburg Township high school and Airman Morris, who has been stationed at Denver, Colo., is at home on furlough prior to being transferred to an air base in California.

No definite wedding plans have been made.

Teenage Boys Fight Duel with Shotguns; One Dead

LINDEN, N. J. (AP) — A 14-year-old boy was shot to death by a teenage chum Monday in a duel with shotguns in the friend's living room.

The body of Stephen Virsik was found on the lawn outside the house. His chum, Nicholas Rahoche, 13, was picked up by detectives in a Philadelphia railroad station. Police said he had fled in panic after he discovered young Virsik was dead and dragged his body out of the house.

Police said Nicholas told them he and Stephen devised the duel with repeating shotguns as a game. They stood 15 feet apart in the living room and blazed away, both missing the first time, police said. Then Nicholas pumped a fresh shell into his shotgun, fired a second time and Stephen fell dead.

A good card table and chairs is one wedding gift no bride will disdain. Almost every couple starting out needs extra seats and can use the table. It's a good gift for friends to join together and give.

Calendar of Meetings

Some may think you are forgotten
When they see our face with smiles.
But God only knows the sorrow
That the smile hides all the while.
The months and years are so lonely
And we still are wondering
Why you were called away so quick-

Two Retired Ministers Wed

EAST ST. LOUIS — Two AFL union officials, William G. Adrian, Belleville, and Jack Geilhausen, Centralia, pleaded innocent Monday at their arraignment on charges of labor racketeering.

Adrian, business agent of Local 101 of the Pipefitters Union, is charged with extorting \$5,000 from contractors who worked on a Scott Air Force base construction job in 1951.

Geilhausen, former business agent of Local 563 of the Steamfitters Union, is charged with attempting to extort \$12,000 from three contractors working on a pipeline project in the Centralia area in 1951 and 1952.

The pleas were entered before United States Dist. Judge Fred L. Wham.

Becomes Member of Student Chapter of Chemical Society

Jack Wallace, son of Mr. and Mrs. Harry Wallace, 1105 South Webster, who is a senior and chemistry major at Southern Illinois university, has recently become a member of the Student chapter of American Chemical society, an organization open to chemistry and chemical engineering students at S. I. U.

The chapter object is to give experience in preparing and presenting technical material before chemical audiences and to secure stimulation that arises from professional association.

The chapter sponsor is Dr. Elbert Hadley, associate professor of chemistry at S. I. U.

Mitchell to Quit As Demo Chairman

WASHINGTON — Democratic National Chairman Stephen A. Mitchell will formally announce his resignation within a few days, a Democratic spokesman said today.

The spokesman said Mitchell plans to step down before the end of the year—probably in December—and will set the exact date later this year.

At the same time, according to the Democratic official, Mitchell will arrange for a meeting of the Democratic National Committee to name his successor.

The spokesman pointed out that Mitchell, a strong supporter of Adlai E. Stevenson, said a year ago he would resign after the mid-term elections, regardless of the outcome.

Illinois Gets Early Start in Balloting

(Continued from Page One)

called it a close contest, with Douglas needing a big lead in Cook County to overcome Meek's expected advantage downstate.

Both Douglas and Meek made last-minute appeals to the electorate in articles written for United Press and in personal appearances.

And Sen. Joseph R. McCarthy, Republican from neighboring Wisconsin, injected himself into the campaign on Meek's side.

In his article, "Why I Should Be Elected Senator," written for United Press, Douglas said his "six-year record shows that I have tried to represent all of the people instead of any special group."

Douglas wrote, "I am a Democrat and I am proud of it, but in the final analysis, the judgment of any good citizen on all questions must be made from his inner convictions. That is what I have done. That is what I shall continue to do, regardless of which party controls the national administration."

Douglas said he has helped cut spending, sought full employment, more social security, and better housing, opposed giveaways and farm price reductions, and aided the administration in foreign policy.

In his UP article, Meek said he should be elected because "the right man to represent the state of Illinois in the United States Senate is the man who was brought up on grass roots American principles and not on foreign doctrines."

Praises GOP Record

"Because I support the Republican administration that has brought this country in 20 short months to firm ground, out of a morass of Communist infiltration, corruption, inflation and a ruinous tax system, internal confusion and war, I believe that I should be elected," Meek said.

"I believe," he added, "that the voters of Illinois will reject the man who violently opposed more than 60 per cent of the administration's program and deliberately sought to tear down that which is good by preaching a doctrine of despair."

McCarthy came into the race with telegrams to both candidates charging Douglas with "a revolting exhibition of hypocrisy" in telling a television audience he did not want to pre-judge the case against Meek. Douglas had made the statement in a TV debate with Meek.

McCarthy praised Meek for his "forthright" attitude and wished him success in the election.

Meek thanked McCarthy for his support in an answering telegram.

Other Contests Listed

Voters also elected a full delegation of 25 congressmen and decided a Blue Ballot reapportionment amendment, which gained support from many civic groups and most candidates.

The election also presented these statewide races:

State treasurer—Democrat David F. Mallett and Republican Warren Wright.

Superintendent of public instruction—Incumbent Republican Vernon L. Nickell and Democrat Mark A. Peterman.

Three University of Illinois trustees.

In addition, voters selected a new State House of Representatives, state senators from the odd-numbered districts and hundreds of county and local officials.

Soldier is Killed, Two Army Companions Injured in Crash

ST. LOUIS — Pfc. Gene R. Jensen, 22, of Tampico, Ill., was killed and two Army companions were injured Monday in a head-on collision at Allenton, in St. Louis County, Mo.

Injured were Cpl. Ralph Byrley of Evansville, Ind.; Sgt. Raymond Herald, 24, of Deputy, Ind.; and Golden Akers, 36, of Pacific, Mo., driver of the second car in the wreck. The soldiers were returning to their post at Ft. Leonard Wood, Mo., when the accident occurred.

FBI Arrests Woman Communist Leader

NEW YORK — Martha Stone, 44, long-time New Jersey Communist leader said to have operated underground for the last three years, was arrested by the FBI Monday night and held today in lieu of \$20,000 bail for a hearing on Thursday.

Miss Stone was arrested on a warrant issued at New Haven, Conn., June 17, 1954, following her indictment on charges she belonged to a group which taught and advocated the violent overthrow of the government.

Miss Stone appeared in court in dangling red earrings today but refused to speak on her own behalf until she has had an opportunity to consult an attorney. Her husband, Emil Asher, said he would retain a lawyer for her.

Salvation Army Drive Workers Urged To Turn In Reports

Robert Rushing, chairman of the Salvation Army's annual drive for funds, today asked all workers to turn in their reports so that the campaign can be wound up quickly.

"I wish that all reports could be turned in this week, and not later than Monday," Mr. Rushing stated.

He said that at the present time the drive is falling far short of its \$5,000 goal and that he hoped money yet to be turned in would boost the figure substantially.

Actor John Wayne Honeymoons with Pilar Palette

HONOLULU — Lanky movie actor John Wayne honeymooned today with Pilar Palette, the raven-haired Peruvian beauty whom he married a few hours after his divorce from another Latin American became final.

"This is the greatest thing that ever happened to me," Wayne said as he kissed his bride. "I've had a lot of wonderful things happen but this is the best."

Wayne and Pilar were married Monday at Kailua in the former home of King Kamehameha III. Some 150 persons, including members of the cast and crew of the picture "The Sea Chase," on which Wayne has been working, attended the brief ceremony and reception.

Wayne's much publicized divorce from Mexican-born Esperanza Bauer became final Monday. He began escorting Pilar about shortly after his divorce battle last year. It was the third marriage for the 46-year-old actor and the second for his 21-year-old bride.

Stevenson Casts His Ballot After Flying Home

CHICAGO — Adlai E. Stevenson cast his ballot in a tiny suburban town today after flying home from New York, where he accused the Republicans of "reaching new depths in the pursuit of office."

Stevenson, the 1952 Democratic presidential candidate and the titular head of his party, left New York immediately after his final campaign speech Monday night.

He arrived home early today and voted, at mid-morning, at Half Day, Ill., near his Libertyville farm home. He planned to spend the remainder of the day at home resting from his strenuous political tour.

Two Eldorado Runners in State Cross Country Run

Eldorado Township high school will have two runners in the state cross country run Saturday, which will be held at Urbana, starting at 10 a. m.

The district cross country meet was held Saturday at Herrin, with Mounds Douglass taking team honors, Herrin was second, Eldorado third, followed by Christopher, Galatia and Centralia.

Two Eldorado runners finished in the first drive. Frank Willis took second spot and was closely followed by Bob Watson, a teammate. These two will participate in the state run.

Watkins of Mounds took first honors, covering the two mile course in 9:39.3.

Other members of the Eldorado team and place of finish were Woods 16th, Hedger 18th and Leonard Willis, 20.

This is the first year Eldorado has fielded a cross country team and Coach Al Adams is happy over the way the team has performed this season. The two entered in the state meet will be accompanied by Coach Gene Haile, it was said.

Illinois Grid Snapshots

SPRINGFIELD — Snapshots from the Illinois prep football scene:

Rapid fire action on the grid-iron didn't thaw out numbed fingers enough to prevent Kankakee's series of fumbles and a 30-19 victory for Urbana.

All of Kankakee's five fumbles in the below freezing weather were recovered by an alert Urbana defense and converted into scores. A cold night for Kankakee.

Hurricane Henry Le Gault, Chillicothe's all-state backfield candidate, paced his team all the way in the Gray Ghosts' 20-0 decision over Tremont.

Le Gault carried the ball for 32 of his team's 41 plays, and personally carried over the goal line twice.

The Halloween win was good for the Gray Ghosts' third Illinois Conference championship in four years.

Freeport's Pretzels didn't get started in their tilt with Rockford West. West's homecoming-happy gang limped the Pretzels to a single first down, that in the third quarter. Final score was 19-0.

Two touchdowns in the final minute of the game added insult to injury when Shawnee blanked Carbondale University High 45-0.

A 15-yard run by Jerry Walker and another for 70 by Ken Blandford had run up a half-time 19-0 tally, and a 10-yard pass set up another score in the third.

Johnston City's 7-6 win over Carbondale also spotlighted an odd finish.

Carbondale scored the first touchdown in the third quarter and would have made the extra point, except for an off-side reprimand which nullified the point. A second kick, after a five-yard penalty, was no good.

After Johnston City tied the score with a touchdown of their own they didn't bother to go into kick formation. Quarterback Bill Slater tossed the ball toward left end Bill Shelby on a basketball pass.

But the ball was batted into the air and Ralph Endrizzi, Johnston City's right end, caught the ball for the extra point.

Patrick Lashmet scored six touchdowns to lead the way for the Winchester Wildcats' decision over Greenfield. Lashmet has piled up a total of 21 touchdowns for the season.

Rock Island tripped over "the doormat" of the Northwest conference when it was humbled by Galesburg 26-21 in its first defeat in 28 games.

Rock Island entered the season with 21 straight victories and until it fell to Galesburg had one no worse than two ties in the current season.

Terre Haute Team Disbands, Pulls Out Of Three I League

TERRE HAUTE, Ind. — The Terre Haute Phillies have been disbanded and pulled out of the Three-I league in a franchise disagreement with the parent Philadelphia Phillies.

The Terre Haute Baseball Fans Assn. rejected the Philadelphia club's terms for a franchise renewal at a meeting Monday, a spokesman said. He said the terms involved a \$34,000 guarantee to the Philadelphia club.

Terre Haute was a member of the Class B Three-I league since 1948. Its departure left seven teams in the loop, only one of them — Evansville — in Indiana.

UCLA and Ohio State Hold Top Grid Ratings; Oklahoma is Rated Third

NEW YORK — UCLA, the Pacific Coast powerhouse which has exceeded even the expectations of its optimistic coach, Red Sanders, pulled away from Ohio State and Oklahoma today in the college football ratings of the United Press Board of Coaches.

Nineteen members of the 35-man rating board picked the Bruins No. 1 this week, giving them a 17-point margin over Ohio State and 28 over Oklahoma. Last week, when UCLA took over the lead, it had only eight first-place votes and only three points over Ohio State and Oklahoma, which were tied for runnerup.

Mississippi and Miami, Fla., were this week's newcomers among the top 10 teams. Ole Miss

Written for NEA Service
Tom Davies, an All-America back of the 1920's who went on to hang up a not undistinguished record as a coach, likes to tell about the day his Western Reserve team was playing a southwestern opponent.

"We had a halfback," recalls Davies, "who was lightning on the get-away. He could start as fast as any boy I ever saw. But on this occasion he got me into an argument with the referee that I lost. "Several times during the first half we were penalized for backfield in motion with this speedster guilty. Between halves I thought I'd speak to the official about it. "I don't think my player is beating the gun," I told him. "He's just so quick on the break that he fools you." "The referee never batted an eye," Coach," he said, "I'm not penalizing your boy for being in motion—I'm penalizing the other 10 players for delaying the game!"

Hopalong Cassidy, Ohio State's Mr. Spectacular' is the 'Take Charge Guy'

COLUMBUS, Ohio — Ohio State has produced many fine football stars but few have caught the public fancy like Mr. Spectacular has.

Mr. Spectacular is the fiery red-haired Howard (Hopalong) Cassidy, the fleet halfback who hit the collegiate gridirons in a blaze of glory three years ago with three touchdowns in his first game.

Cassidy has come through with the spectacular ever since. But to him, the biggest thrill in football is putting on a scarlet and gray uniform and dashing onto the field in the big stadium in his home town.

The Buckeyes will play before more than 481,000 home folks this year and a big reason is Cassidy, the little man who takes charge and delivers when the chips are down.

Great Individual Effort
Cassidy is the first to give credit to somebody else for the unbeaten Buckeyes' six wins this year, but it has been the baby-faced junior who usually produces the clutch play when the going is the roughest.

Mr. Spectacular gets fine blocking from his teammates but he often eludes on the play where great individual effort is needed—the pass interception, the nifty change of pace, the fine cutback in the open field.

Cassidy weighs 168 pounds, unusually light for a college player, but he always presents a weighty problem for the other team. He is a dangerous runner who is best stopped by sacrificing defense elsewhere to concentrate on him.

Coach Ivy Williamson of Wisconsin said after Mr. Spectacular wrecked the Badgers, 31-14, two weeks ago that Cassidy is the type of halfback who will always hurt the opponent the most. Coach Lynn Waldorf remarked after his California team had received the Cassidy treatment that the Columbus sprinter is probably the finest halfback in the country.

Good On Defense
Cassidy has made a specialty of wrecking Wisconsin in a spectacular fashion. As a freshman, he was the star as Ohio knocked the Badgers from the unbeaten ranks. As a sophomore, he supplied the clincher touchdown on a 60-yard pass play in a 20-15 victory. This year, with Ohio trailing 7-3, Cassidy intercepted a pass and ran 88 yards for a touchdown that sparked Ohio to a four touchdown outburst.

The 20-year-old junior started his season spectacular fashion, when he scooped an Indiana fumble out of the air and ran 67 yards for a touchdown. Next time out, he scored two touchdowns against California, one on the first Buckeye play of the game. He also checked a California threat by getting out of position to intercept Paul Larson's pass, a daring performance that started the Buckeyes on another touchdown drive.

Cassidy is good on defense. He led the Big Ten in returning intercepted passes last year.

Cassidy is married and is the father of a 10-months-old son. He is in demand as a banquet speaker for high school football teams and Little League baseball squads. He skipped spring practice to play shortstop on the Buckeye baseball team and would like to play professional baseball. He has three

Dodgers High in Praise for Chico Fernandez

BROOKLYN — Chico Fernandez, "on a par with Chico Carrasquel right now," had the Brooklyn Dodgers front office making a lot of optimistic 1955 plans today, including the transfer of veteran PeeWee Reese over to second base.

The fancy-fielding, 21-year-old Fernandez "will be even better than Carrasquel in two or three years," according to players who competed against him in the International League last season and those who are seeing him for the first time in the Cuban Winter League now.

Brooklyn President Walter O'Malley and Vice Presidents Fresco Thompson and Buzzy Bavasi conducted an inspection tour of Dodger players in the Caribbean area last week. They all came back with unstinted praise for the 6-foot 1-inch, 165-pound Fernandez who reports to the Dodgers next spring.

The Dodgers, who had Carrasquel in their farm system but sold him to the White Sox when he was ripe for big league activity, don't intend doing any such thing with the Cuban-born Fernandez.

Bavasi said that if Fernandez wins the shortstop job — a post young Don Zimmer originally had been groomed for—it would mean that Reese would be switched to second base and switch-hitting Junior Gilliam moved to the outfield.

more games this year and another season in football and he may be persuaded to change his mind provided Mr. Spectacular continues to deliver the spectacular play.

Reds Bomb, Shell Tachen Island Group

TAIPEI, Formosa (AP)—Chinese
Communist warplanes and artil-
lery unleashed new attacks today
against the Tachen Island group.
Chiang Kai-Shek's northern most
possessions.

Five Russian-built twin-engine
bombers bombed Yikiangshan, Ta-
chen's north anchor, while Com-
munist batteries on Tumen Island
resumed the heavy shelling of Yi-
kiangshan begun Monday.

Nationalist sources said Red ar-
tillery hurled thousands of shells
at the tiny island. There was no
immediate report of casualties.
The Reds shelled the island for
eight hours Monday.

The Tachen Islands lie slightly
more than 200 miles from the
northern tip of Formosa. The Reds
began attacking this group Mon-
day, giving rise to fears among
Nationalist officials that an inva-
sion might be imminent.

Meanwhile, Chinese Nationalist
planes and ships were reported at-
tacking Communist positions on the
mainland. It was presumed the
Nationalists were aiming at Com-
munist air bases in Chekiang Pro-
vince from which the Reds have
been mounting their raids on Ta-
chen.

According to fragmentary and
conflicting reports, it appeared
that some 20 Communist planes—
nine medium bombers and 11 MIGs
—dropped 150 bombs Monday on
Tachen, making two sorties.

Nationalist sources said the Reds
caused a considerable number of
casualties. Earlier reports said 14
persons were killed.

The attacks marked the first
time the Reds have sent planes
against Chiang Kai-Shek's island
holdings since they won possession
of China.

Du Quoin Begins Characteristics Study of Town

DU QUOIN, Ill. (AP)—The Du
Quoin Community Development
Assn. Monday night began a study
of a community characteristics
survey made last week at the first
"town meeting" of the associa-
tion's drive to improve the com-
munity.

One result of the meeting was a
recommendation to consider con-
struction of an underpass beneath
the Illinois Central Railroad tracks
on Du Quoin's main business
street.

The study of the characteristics
survey will be continued Nov. 8.
Meanwhile, committees have been
named to study and report on the
community organizations and agri-
culture in the Du Quoin area. A
census of Du Quoin is completed
and a report is being prepared on
it by association members.

Dates of the last Crusade were
from 1096 to 1099 A. D.
